Sunday is cool

...And so are the other days of the week when you have a group of friends to explore and have fun with. We invite you to join us as we begin a new year of Christian learning and growing at the PCC.

Sunday's Cool is a group for **You!-Kids in grades 5, 6 + 7**. There are three parts to the program: Videos, Helping Others and Having Fun!

Now Showing...

This year we'll watch some of the most popular movies and talk about their religious themes.

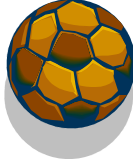

It's a program called "**Reel to Real**" Come watch them all!

Yup... We'll bring the popcorn!

2. Helping Our Community

We provide service to others. We'll carry-out several fun community service projects during the year. This could involve helping the elderly with special needs, Operation X-mas Child, working to keep the town of Peacham clean and beautiful, or perhaps some other project that you come up with!

Oh Yeah, It's Fun!!!

Fun, fun, fun!! We'll take our annual walk to conquer Devil's Hill, have a great Christmas program and party, play games and sports, serve coffee hour, sing songs, play music, take trips, a youth orchestra, and **who knows what else ??**
